CATHERINE BARTELS '77

General Manager | Bloomingdale's | McLean, Virginia Catherine Bartels is currently the General Manager at Bloomingdale's. Prior to her current position, Catherine was the District Vice President for Macy's in the St. Louis North District. Previous to this position, she was the Vice President and General Manager at Macy's Union Square in San Francisco, California.

Catherine started her retail career in May 1980 at Lord & Taylor as a Department Manager, and during her professional career she consistently continued to move up the ranks. Catherine joined the I. Magnin franchise in 1986 and successfully transitioned to Macy's when the company purchased I. Magnin in 1995. Ms. Bartels has been a buyer of women's and men's sportswear, a store manager, and worked in several stores ultimately returning to manage the Macy's in the same building where she began. She has also worked as a store manager and Vice-President for Saks Fifth Avenue.

Catherine holds a Bachelor of Science degree in Business Administration from Illinois State University.

DUANE BELL '74

Chief Operating Officer | Stephens | Richardson, Texas

Bell, a Certified Public Accountant, began his career with Peat, Marwick, Mitchell & Co. (now KPMG) in 1974 after receiving his B.S. in Accounting from Illinois State University. He spent 20 years with KPMG during which he advised numerous clients on various strategy and business matters. After leaving KPMG, Bell served as Chief Operating Officer and/or Chief Financial Officer for several services organizations, two of which successfully completed initial public offerings of common stock during his tenure. From 2006 through March 2014 he was with Tectura Corporation, first as Chief Financial Officer and, since 2010, Chief Executive Officer. Tectura Corporation is a leading worldwide provider of business consulting and implementation and integration services relating to Microsoft Dynamics ERP and CRM products.

Throughout his career Bell has served on the Boards of Directors of various civic, social and business organizations.

WILLIE BROWN '73

State Farm Insurance, Retired | Bloomington, Illinois

State Farm® insures more cars than any other company in North America and is the leading U.S. home insurer. The company's 17,000 agents and 68,000 employees serve more than 75 million auto, fire, life, and health policies in the United States and Canada. State Farm also offers banking, annuities, and mutual fund products to its customers. State Farm Mutual Automobile Insurance Company is the parent of the State Farm family of companies. The corporation is ranked No.22 on the Fortune 500 list of largest companies.

As executive vice president and member of Chairman's Council of the State Farm Insurance Companies, Willie Brown had executive oversight for Creative Services, Administrative Services, and Enterprise Services. A native of Bloomington, Brown had spent his professional career at State Farm, rising steadily through the ranks. Along the way he earned a number of insurance designations including CLU, CPCU, and FLMI. Brown remains very active in public service. In 2005 he was inducted into the College of Business Hall of Fame.

MIKE EMMERT '75

Managing Director-Disputes and Investigations Practice | Navigant Consulting, Inc. | Chicago, Illinois

Prepared for the rigors of the corporate world thanks to four years of ISU Rugby and his accounting degree, Mike Emmert began his career as an auditor and system design consultant for Arthur Andersen & Co. In the early 1980's he formed a litigation consulting company and success has continued to follow.

Emmert has led complex consulting engagements for Fortune 100 companies including General Electric, Citibank, AIG, Caterpillar, Exelon, and Allstate. He provides accounting, finance and other areas of expertise to corporations and corporate law firms in the resolution of litigation, other business disputes or regulatory investigations. Mike has presented expert testimony in Federal and State courts. In addition to being involved in several of the large financial statement investigations of the last 5 years, Hurricane Katrina losses and other news-related matters, Mike has led multi-year client engagements involving hundreds of professionals and the resolution of financial claims and losses totaling tens of billions of dollars. Most recently, his client responsibilities have included the evaluation of billions of dollars of property damage and other business losses suffered in New York City as a result of the events of September 11, 2001.

Mike was the Managing Partner of Ernst & Young LLP's Global Disputes & Investigations Practice. In five years he grew the firm's domestic practice from \$15 million to \$130 million, while tripling partnership profitability. Emmert achieved these results by implementing unique marketing programs, branding campaigns, thought-leadership initiatives, integrated culture enhancements, career management and staff enrichment. Throughout this period the practice was named the Ernst & Young LLP Consulting Practice of the Year. Mike also led the expansion of similar consulting practices at the global level for the company.

Mike lives in Hinsdale with his wife, Jan. Their son Phil resides in Nashville. Mike is a member of the AICPA, the ISCPA, the Vanderbilt University Masters in Accountancy Advisory Board, and the Information Integrity Coalition, among other professional and civic organizations. He also serves as a Trustee and is the Treasurer of the Chicago Zoological Society.

CHRIS KORSGARD '84

Partner | Sikich LLP | Aurora, Illinois

Sikich is one of the leading providers of professional services in the Midwest. The firm's 250 professionals are based at six Midwest offices to serve middle-market businesses, governmental entities, and not-for-profit organizations. The company develops and assists clients in implementing strategic, operational, financial, management, and technology solutions to the most complex challenges posed in today's global economy. Its Information Technology division focuses primarily on Microsoft products and services, including ERP and CRM applications. The Microsoft Dynamics software consulting team is part of the firm's \$15 million IT consulting division and is currently in the top 1 percent of Microsoft consulting partners in the world, with more than 1,000 clients including Illinois Tool Works and Caterpillar.

As a partner at Sikich Technology, Korsgard focuses on information technology (IT) consulting services. He oversees the business and financial (ERP) software team that designs, develops and implements technology solutions for companies across a broad spectrum of industries and organizations, including Caterpillar, Illinois Tool Works and Equity Group.

Korsgard began his career as an auditor with Price Waterhouse (PW) in Chicago, eventually transferring into the firm's technology consulting division just as personal computers were beginning to penetrate corporate America. He left PW in 1989 to join Wolf & Company, a regional CPA firm in Oak Brook, where he became a partner heading up Wolf's IT consulting area. In 1995 Korsgard co-founded Softbite Solutions with fellow Illinois State grad Kevin Smith. In 2002 the company merged with Sikich, a large regional CPA firm based in Aurora. Korsgard serves on several boards helping to advise Microsoft on the direction of their business software (Microsoft Dynamics) division and is also on the U.S. Board of the International Association of Microsoft Certified Partners (IAMCP).

WIN STOLLER

Chief Executive Officer | Widmer Interiors | Peoria, Illinois

As the Herman Miller office furniture dealer in Central and Northern Illinois, Widmer maintains showrooms in Peoria, Rockford, Normal and Champaign. Widmer Interiors is a Herman Miller Certified Dealer, one of only 49 dealers in the U.S. to hold this accreditation.

Win began his career at Widmer Interiors in 1997 with positions in customer service and sales, before becoming CEO in 2006. Win received his degree in accounting from the University of Illinois in 1993 and an MBA in 1995, also from the University of Illinois. Prior to joining Widmer Interiors, Win worked as an auditor at Price Waterhouse in Peoria.

Win serves on the advisory board of the Salvation Army. He has been an active Rotarian since he joined the Rotary Club of Peoria in 1998. Win is also active with his church, Grace Presbyterian, and serves on the board of Campus Outreach, the church's college ministry.

JAMES SVAB

Partner | PricewaterhouseCoopers LLP | Chicago, Illinois

PricewaterhouseCoopers (PwC) is a global professional services firm providing assurance, tax and advisory services. It is the world's largest professional services firm and the largest of the Big Four accounting firms.

Jim is an Assurance partner in the Chicago office focusing on insurance companies and the financial services industry. In addition to leading audit engagements, he provides accounting advice and has assisted companies with IPOs and capital market transactions, internal control implementations, due diligence projects and forensic accounting investigations. He has served clients of all types and sizes, including SEC and foreign registrants, mutual insurers, multinationals and private companies.

Jim is the past co-leader of PwC's IFRS practice for the insurance industry where he assisted companies in accounting conversions and other IFRS-related activities. Earlier in his career, Jim served a three-year tour with PwC Switzerland in the Zurich office, where he provided accounting advisory and IPO services to companies seeking access to the U.S. capital markets. Jim received a degree in accounting from Illinois State University and became a certified public accountant in 1992. He has been a member of ISU's Advisory Council to the Department of Accounting (2006-2012) and currently serves on the Board of the United Way of DuPage/West Cook County.

MATT TAPHORN '88

Senior Business Resource Manager | Caterpillar Inc. | East Peoria, Illinois

Matt is currently the Senior Business Resource Manager with the Material Handling & Underground Division of Caterpillar, Inc. located in East Peoria, Illinois. In this position, Matt leads a team supporting the mining products produced at several facilities around the world with responsibilities including strategy development and execution, financial accounting, reporting, and decision support. The Material Handling & Underground Division supports the following product groups: Material Handling – Large Track Type Tractors, Large Wheel Loaders, Off-Highway Trucks, Wheel-Tractor Scrapers, Surface Rock Drills, and Articulated Trucks, and Underground Mining – Hard Rock Vehicles, Longwall Mining, Room & Pillar Mining, and Hard Rock Cutting. Prior to his current role, Matt has held positions in Corporate Accounting, Remanufacturing, and in Global Mining with leadership roles in the integration of the Bucyrus acquisition and subsequent divestiture of the related distribution businesses, and the integration of the Siwei acquisition. Matt joined Caterpillar in 2004.

Matt started his career at Price Waterhouse in Peoria from 1988 to 1991 as a Senior Auditor. He was the Controller for PJS Publications, a publishing company located in Peoria from 1991 to 1998. Matt was a Financial Advisor for AG Edwards in Peoria from 1998 to 2002, and a Financial Consultant for Robert W. Baird & Co. in Peoria from 2002 to 2004.

Matt holds a bachelor's degree from Illinois State University (1988), and is a Certified Public Accountant.

Matt currently resides in Morton, Illinois along with his wife Kelly (Nimmo) Taphorn (ISU '90). His son Drake (MAS ISU '15) also resides in Morton, and is employed as an accountant by Caterpillar in Peoria. His daughter Karson (BN Illinois Wesleyan University '16) is employed as a labor and delivery nurse by OSF St. Joseph in Bloomington. His twin sons, Chase and Drew are currently in school at North Central College in Naperville, and Illinois Central College in East Peoria, respectively.

JEFF VANDECASTEELE '82

Director, Financial Shared Services and Management | Deere & Company | Moline, Illinois

John Deere (Deere & Company - NYSE: DE) is the world's leading manufacturer of agricultural and forestry equipment, a major manufacturer of construction equipment, and a leading supplier of equipment used in lawn, grounds, and turf care. John Deere also manufactures and markets engines used in heavy equipment and provides landscape and worldwide financial services. Since 1837, the company has extended its heritage of integrity, quality, commitment, and innovation around the globe.

Jeff VanDeCastele is the Director, Finance, John Deere Power Systems, a position he has held since January 2014. In this role he is responsible for the counseling, internal controls, financial shared services, corporate financial analysis and the company's internal management reporting.

After graduating from Illinois State with a degree in accounting and business administration he began his career with Deere & Company as an Internal Auditor. He also received his CPA certification. He has held marketing positions in support of the Deere dealer organization in dealer systems, parts marketing and as territory manager in Nebraska, Missouri and Illinois. VanDeCastele served in accounting and finance leadership assignments in Kansas City, Raleigh and Waterloo. In 2002 he returned to the World Headquarters and led teams in financial systems, accounting and supply management. Prior to accepting his assignment as Director, Management Reporting in 2008, VanDeCastele served as Director, Internal Audit, U.S. and Canada. VanDeCastele volunteers as a member of the United Way Community Investment Panels. He is also a member of the ISU Department of Accounting Advisory. He is a past Board Chairman and Board member of the Deere Employees Credit Union.

MARY ANN WEBB '78

Principal Partner | Sulaski & Webb, CPAs | Bloomington, Illinois

A 2006 College of Business Alumni Hall of Fame honoree, Mary Ann Webb was the first woman to be admitted to partnership in a CPA firm in McLean County. She was named a Woman of Distinction in 1992 by the YWCA in recognition of her career achievements and is currently a member of the board of directors of the Illinois CPA Society and the Illinois CPA Endowment Fund. Mary Ann has shown tremendous support for Illinois State University with many years of service on various advisory councils, steering committees. She has also held leadership positions in the Redbird Club.

A long record of service to others is evident in Mary Ann's community involvement. She has been a director of Citizens First Financial Corporation and Citizens Savings Bank and is currently a director of Main Street Bank and Trust. Mary Ann has served as President of the Children's Foundation, Chair of the Workforce Investment Board, as Treasurer of the Bloomington Rotary Club, and as an officer of the McLean County Chamber of Commerce. Other commitments include her work with the Chestnut Health Systems Board, Busey Wealth Management Board, Illinois CPA Society Endowment Fund Board, and Bloomington Public Library Foundation Board.

RON WHITTON, JR. '80

Co-Founder/Owner | Dentsmart | Groveland, Illinois

Ron graduated from Illinois State University in 1980 with a major in Business Administration, a minor in Economics, a partial in Accounting. That same year, Ron started working as sales rep for Standard Brands—Food Manufacturer. A year later, he went to work for PMI a food broker headquartered in Chicago. In 1988, Ron purchased Spring Green Lawn Care in Peoria, Illinois and completed the Account Executive College Program at Northwestern University. In 1991 Ron purchased Jimbos Jumbo, a takeout restaurant located in Pekin, Illinois. In 1998 Ron won the Peoria Chamber of Commerce Small Business of the Year award with SpringGreen. In 2001, he purchased a commercial building in Peoria and started Dentsmart with Dave Haxton. In 2002, Ron started developing body shop and insurance company partnerships in Illinois, and had one Dentsmart technician in Illinois and in that same year Ron won the account executive of the year award while still working in the brokerage business. In 2005, he sold Jimbos restaurant and Spring Green Lawn Care to focus on growth of Dentsmart. Soon after, Ron started developing the Dentsmart brand in Iowa. In 2006, Ron began licensing the Dentsmart brand in other states including Minnesota, North Dakota, South Dakota, Missouri, Indiana, Ohio, and Tennessee, in addition to Illinois and Wisconsin. In 2011, Dentsmart was approved by the Federal Government to change to a franchise system in all active markets. In 2016, Dentsmart had more than 100 people serving 12 markets, including newly added Nebraska and Arkansas. In 2010 Ron's daughter Andrea started attending ISU as a freshman. Her attending ISU got Ron involved in supporting the school with time, talent, and treasure. Here is a recap of ISU involvement:

Ron established the Ron and Cathy Whitton endowed scholarship program from incoming freshman or transfer student majoring in business and established the "Pay it Forward" College of Business endowed scholarship for student involved in COB Registered Student Organizations.

Ron is a member of the Alumni Board and participates in the Alumni Scholarship program. He is also a member of the MQM Advisory Council, the COB Advisory Council, and the Means Center Advisory Council. He has hired and worked with interns from PSE business organization to facilitate the Dentsmart social media presence; established a Marketing Scholarship; established a Entrepreneur Scholarship; provides general funding for College of Business programs.

Ron also enjoys supporting his church and other charities. He has been married to Cathy since 1981 and she has been on this journey with him since the beginning. Ron and Cathy have 2 children, Derek 28 living in Pekin, Illinois and Andrea 25 living in Baltimore, Maryland.
