

WHAT'S YOUR GPA?

WHY SHOULD YOU CARE?

- Stay in academic good standing
- College of Business Standards for Progress require a 2.5/4.0
- Graduation!! (you need a major/minor and cumulative 2.0 GPA to graduate)
- Internship opportunities
- Scholarships
- Jobs!

HOW IS IT CALCULATED?

$$\text{GPA} = \frac{\text{Total \# of Grade Points}}{\text{\# of Credit Hours Attempted}}$$

To determine point values:

| | |
|------|-----|
| A = | 4.0 |
| B = | 3.0 |
| C = | 2.0 |
| D = | 1.0 |
| F = | 0.0 |
| WF = | 0.0 |

| Course | Grade | Point Value | X | Credit Hours | = | GPA Points |
|---------------|-------|-------------|---|--------------------------------|---|--------------------------------|
| EX. | B | 3 | X | 3 | = | 9 |
| | | | X | | = | |
| | | | X | | = | |
| | | | X | | = | |
| | | | X | | = | |
| | | | X | | = | |
| TOTALS | | | | Total # of Credit Hours | | Total # of Grade Points |

See your undergraduate catalog for an example.

NOTE: As of Summer 2004, repeat grades replace initial grades earned.
