

MATH PLACEMENT TEST

You may need to take the Math Placement Test in order to determine which level of Math you can begin at ISU. Among other requirements, the College of Business requires MAT 121 (Applied Calculus) to be completed with a C or better. The following is a list of math courses and their prerequisites which will bring you to MAT 121:

COURSE	TITLE	PREREQUISITE
MAT 102	Basic Algebra	(appropriate placement score)
MAT 104	Intermediate Algebra	(credit for MAT 102 <u>or</u> appropriate placement score)
MAT 119	College Algebra	(credit for MAT 104 <u>or</u> appropriate placement score)
MAT 120	Finite Math	("C" in MAT 119 <u>or</u> appropriate placement score)
MAT 121	Applied Calculus	("C" in MAT 119 & 120) or ("C" in MAT 120 & appropriate placement score)

How do I sign up?

Call or go to the University Testing Office in 346B Fell Hall.

Phone #: 438-2100 Hours: 8am – 4:30pm, M-F

Is there a cost?

The test costs \$15. This amount will be billed to your student account.

Do I need to bring anything?

Remember to bring a picture ID.

When can I take the test?

Monday – Friday: Tests are given hourly from 8am – 3pm (except noon).

Appointments recommended.

When will I receive results?

Immediately after you complete the exam – the test is a multiple choice computer test.

Then what?

You may bring your results to the COB Advisement Center to find out which Math course you have placed in to or call the Advisement Center 24 hours after you have taken the test (438-8385).
