Description of Career Opportunity

WHO WE ARE

Revantage is a Blackstone Company that provides a highly skilled employee base, best-in-class processes, and state-of-the-art technology to multiple Blackstone real estate portfolio companies. Sectors include Hospitality, Industrial, Multi-Family, Office, Retail, Senior Housing, and Manufactured Homes.

Revantage, headquartered in Chicago, is one of three global offices that includes Revantage Asia and Revantage Europe.

WHAT WE VALUE: OUR CULTURE

Creating a culture that inspires change and momentum require the right team. We know what it takes to lead an industry, and are looking for leaders who seek constant growth, want to excel, and continuously improve upon themselves and the industry. The culture at Revantage is built on our shared core values and commitment to be:

Achievers - We expect high standards for ourselves and enable the success of our teams

Enthusiasts - We face challenges with optimism and believe anything is possible

Leaders - We commit to continuously improve our performance

Learners - We learn from our challenges and successes

Partners - We deliver value and positive impact to our partners

WHY THIS ROLE IS VALUABLE

We are looking for an ambitious Sr. AVP to join our Global Risk and Insurance team. The Sr. AVP, Insurance Risk Management is responsible for identifying, evaluating, and analyzing risks inherent to the operations of the company and ultimately reducing the firm's cost of risk. The Sr. AVP, Insurance Risk Management will be expected to identify and evaluate the risk exposures and to administer the risk treatment /insurance programs to efficiently manage exposures to those risks, as well as remain informed of the changes that occur within the company and recommend/execute changes to the program(s) as appropriate. They will track and review all insurance policies held by the company and support renewal process annually.

HOW YOU ADD VALUE

- Create robust Property Insurance programs and allocations across multiple asset classes.

- Develop strong, effective working relationships with company's management and internal customers at each property to communicate property insurance standards.

- Establish yourself as the commercial property insurance resource and educate the Portfolio Companies on the various insurance coverages and risk mitigation opportunities.
- Implement, administer, and monitor risk management techniques/strategies to efficiently and cost-effectively manage those risks (i.e., risk transfer, risk mitigation/loss control, risk avoidance, risk elimination, risk retention, etc.).
- Regularly review the property insurance programs for enhancements and work closely with brokers to create cost savings opportunities.
- Effectively interact with company's risk team, brokers, RMIS vendors and insurers in communicating company's risk related goals and objectives.
- Act as an in-house property liability resource to educate, advise, and counsel company management, property staff and business partners where necessary to reduce or transfer risks.
- Coordinate issuance and distribution of Certificates of Insurance to company business partners with the broker. Evaluate and monitor incoming certificates to determine if they meet the appropriate contractual requirements and take needed action if not.
- Review insurance binders, invoices, and policies for accuracy and manage the retention of policies, schedules of insurance and other risk management documentation based on company's retention policy.
- Participate in forums, risk management educational programs and other educational opportunities to stay abreast of emerging issues affecting risks.
- Perform other duties as assigned.

Preferred Skills

WHAT YOU BRING TO THE ROLE

- Bachelor's degree in Risk Management, Accounting, (Computational/Quantitative) Finance, Economics or related field required
- 10+ years overall risk experience
- Knowledge and understanding of various real estate sectors, including the main products and services produced and processes used
- First-class interpersonal skills, including relationship building and maintenance
- Proficient working knowledge of Microsoft Office Suite, particularly Excel
- Excellent communication (verbal & written), numerical, presentation & organizational skills
- Self-motivated with the ability to work effectively as part of a team in a fast-paced, dynamic environment where superior time-management and prioritization skills are essential
- Be willing to travel 15% domestically

Preferred:

- Property & Casualty Broker's License

Perks for You

- Competitive salary, overall compensation, and 401(k)
- Work-life balance offerings include:
 - Hybrid Work Policy
 - Productivity Hours - weekly meeting-free work time
 - Summer Fridays
 - Work From Anywhere Month
- In-house and external learning & development opportunities
- Generous health insurance and wellness benefits

EEO Statement
