Description of Career Opportunity Sompo has a unique opportunity for an Assistant Vice President - Underwriter on our Retail Primary Casualty Underwriting team.

Sompo North America provides a client-centric service approach by offering comprehensive multi-line capabilities. Taking a holistic approach to risk management, the unit offers general liability, commercial auto, and workers' compensation lines of business through a diverse range of program structures including guaranteed cost, SIRs, deductibles, captives, and more. The unit focus on large accounts across a wide range of industry practices in the U.S., Mexico, and Canada including manufacturing, real estate, hospitality, financial institutions, professional services, life sciences, technology, retail, and Asian-interest accounts. Additionally, engaging in cross-functional collaboration with our property, umbrella/excess, and environmental business units is integral to our organizational identity and success.

Location: This position will be based in our Chicago, IL office. We strive for collaboration, which is why we offer a work environment where our employees thrive and develop long-lasting careers.

Our business, your impact, our opportunity:

What you'll be doing:

Manage and grow a complex Primary Casualty portfolio, underwriting business to achieve profitability and align with risk appetite and overall Sompo guidelines and business strategy

Exercise underwriting authority to structure, price, and negotiate Primary Casualty programs, including limits, terms, and conditions across diverse risks and industries

Leverage expertise in Commercial Casualty lines, including General Liability, Workers Compensation, and Auto, to develop and underwrite customized solutions for clients

Utilize advanced pricing models for program structures such as guaranteed cost, large deductibles, SIRs, and captives to create customized casualty solutions

Lead underwriting decisions in assigned market across key industries such as Real Estate, Hospitality, Manufacturing, Life Sciences, Technology, Retail, and Professional Services

Conduct strategic account reviews and provide detailed, comprehensive file documentation for large Primary Casualty

programs

Evaluate and provide recommendations on adverse underwriting decisions, rate actions, coverage requirements, and declinations to ensure portfolio profitability

Monitor market conditions, competitive trends, and regulatory developments to inform underwriting strategy and portfolio management

Preferred Skills

What you'll bring:

7+ years of Commercial Casualty underwriting experience including General Liability, Workers Compensation and Auto

Proven ability to underwrite, price, and negotiate complex accounts across a range of sizes, industries, and exposures

Strong relationship management and communication skills with experience partnering effectively with brokers, insureds, and internal teams

Collaborative working environment with strong oral and written communication skills

Bachelor's degree or equivalent experience
