Description of Opportunity	The Underwriter will assist with the development of profitable Casualty Construction business and maintain relationships with wholesale partners. The incumbent will utilize and comply with the company's Underwriting, Actuarial, Reinsurance, Systems, Claims, and Legal functions. The individual will assist with managing underwriting aspects of the wholesale relationship including visitation to present our products and underwriting appetite, develop relationships, productions and profitability.

## Preferred Skills

### Essential Duties & Functions:

Ability to help brokers/insureds with any questions related to eligibility, endorsements, billing and policy information.

Ability to explain our product and how we differentiate ourselves in the marketplace.

Proficiency in technology as an underwriting tool.

Examine documents such as referrals and loss history to ensure completeness.

Ability to define and implement key dashboards that track and measure production, losses, and identify areas of risk.

Select, price, quote, and decline new business referred by brokers in accordance with company underwriting guidelines and application of experienced, sound underwriting judgement.

Partner and maintain collaborative business relationships to develop, grow, and underwrite profitable business.

Participate in other projects and duties as assigned.

### LIO LIFE - What we value:

The Customer Lens - Prioritizing our relationships, service, and needs of our customers.

Innovative Thinking - Fostering an environment that empowers and sustains bold thinking and actions.

Balance - Creating an inclusive, diverse, and holistic balance to meet our personal and professional needs.

Simplicity - Striving for simplicity in our service, products, and processes.

Accountability - Owning our results and learning from them.

### Qualifications:

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements list below is representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Demonstrated ability to collaborate effectively across all levels of the organization, both independently and as part of a high-performing team.

Proven ability to operate successfully in a virtual, global environment, balancing competing priorities while executing with speed and accuracy.

Demonstrates respect for and appreciation of diverse perspectives, skills, personalities, and backgrounds, fostering an inclusive and collaborative workplace.

Track record of building strong partnerships and contributing to a culture focused on delivering optimal business solutions.  
Excellent written and verbal communication skills, with the ability to convey complex ideas clearly and effectively.  
Strong interpersonal skills, with the ability to influence, build trust, and maintain productive working relationships.  
Highly developed analytical and problem-solving skills, with a data-driven approach to decision making.  
Demonstrated project management experience, including planning work, managing timelines, and driving execution against established objectives.  
Ability to multitask and thrive in a small-team, entrepreneurial environment characterized by ambiguity and rapid change.  
Proficiency in Microsoft Office applications, including Outlook, Word, and Excel.
