**Description of Opportunity**

We will teach the Property and Casualty underwriting profession to those with the education qualifications who are willing to learn to grow a career. This position supports the P&C underwriting team by coordinating actions using our policy management system including data entry, cross checking & auditing, and reminder tracking. Using these programs, the Assistant Underwriter will follow automated prompts to kick off and track actions.

Avalon Risk Management ("Avalon") is a specialty insurance broker with offices in major port cities throughout the U.S. and Canada. We focus on the unique and exciting world of risk management and insurance products for the international trade and logistics industry. Avalon is a privately held company owned by our founding management team and we are proud that our average employee tenure is over 10 years. We are looking for someone with natural attention to detail to support our Property and Casualty team at our headquarters in Schaumburg, IL.
