Description of Opportunity

The 10-week program provides qualified students with an excellent opportunity to gain first-hand commercial insurance underwriting experience, receive valuable on-the-job training, and learn more about the property and casualty insurance industry from industry professionals.

Within your assigned business unit, each intern will be given a designated coach and be expected to:

Complete core assignments and training modules geared toward insurance and underwriting principles.

Participate and complete self-paced professional development courses in time management, presentation skills, and other key areas.

Complete challenging and meaningful project work over the course of this program at the discretion of your manager. You may work independently or with other interns and will be asked to present your findings to local leadership. Sample projects include a territorial risk assessment to determine profitability and underwriting opportunities as well as a business process analysis to determine underwriting gaps.

Learn about other areas at Travelers such as Risk Control, Claims, and related Corporate functions. Interns may also engage in Agency visits with Account Executives.

Participate in the Enterprise Internship experience which includes Executive Speaker Series, Networking events, and Intern Symposium for Rising Seniors.

Preferred Skills

Preferred cumulative GPA of 3.0 or above.

Undergraduate students completing their sophomore or junior year preferred.

Working knowledge of Microsoft Office.

Strong verbal and written communication skills.

Strong analytical skills.

Someone who is naturally curious to learn.
