Sales Department Internship

We are currently seeking a summer intern for our Sales department in our Rockford location to assist with daily activities and assigned projects. This candidate must be able to assist in qualifying leads, creating and help present proposals to prospects. Assists with new account measuring and paperwork for accounts sold, including client site visits to measure wearers. Also assist in re-qualifying existing prospects for TSR teams through telephone and face-to-face meetings. Identifies prospects for local TSR team members.

Qualifications

Qualifications:

- Working towards a bachelor's degree, having completed their junior year. Minimum GPA 3.00.
- Good problem solving skills.
- Solid verbal and written communication skills.
- Basic personal computer skills, including spreadsheets and word processing.
- Ability to prioritize and organize multiple projects to meet deadlines.
- Action oriented and motivated.
- Excellent organizational skills.
- Must possess valid driver's license.
