

# College Financial Representative

Can you envision a life of freedom and calling your own shots? Are you looking for a fast-paced, highly productive environment? Do you think hard work should be recognized and rewarded?

The Northwestern Mutual<sup>[1]</sup> internship truly has it all.

Financial representative interns ask clients and prospects lots of questions to understand their financial goals. They come up with creative financial solutions. They are in business for themselves, but they are never alone. They have support from their team and a company with exceptional financial strength\*.

- Compensation
- Top-notch training
- Flexibility for school
- Team support and mentorship
- The chance to make an impact

Gain real-life experience while earning performance-based compensation in one of America's Top 25 internships according to Vault 2019. Our attractive reimbursement program for professional studies can lead to professional designation for interns who go full time.

To be considered, you must be a full-time student at a college or university. We want you to have strong interpersonal skills, be self-motivated and have a history of personal success.
