

2013 Katie School/CPCU Spring Symposium

Emerging Issues *in* Insurance

8 a.m.–3 p.m.

Thursday, April 25, 2013

Bloomington-Normal Marriott Hotel & Conference Center

The Katie School Symposium is a unique forum providing an opportunity for industry experts, consulting firms, and academics to discuss pressing issues. This year's symposium will focus on **Emerging Issues in Insurance**.

Thriving insurance organizations keep a close eye on emerging issues that may impact their long-term success. Join us for presentations by industry experts and a discussion by industry executives on current and emerging trends that dominate today's insurance landscape.

Identify, explore and reflect on how these issues affect your competitive advantage, innovation, processes, best practices, growth, and future.
